## Terminate All Glendale Graffiti

The Committee for a Clean and Beautiful Glendale, a volunteer beautification advisory board, operates the T.A.G.G. program for Neighborhood Services. Recognizing that graffiti removal could be a financial burden to some residents, the Committee established a suggested donation plan to provide an opportunity to have graffiti professionally removed at minimal cost. Utilizing a variety of techniques, Neighborhood Services staff will remove graffiti for a donation to the T.A.G.G. program. These proceeds will be used for purchasing graffiti removal supplies, maintaining a tagger/vandal database, operating in-school deterrent programs, and running the Great American Clean Up!
